APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the
source. It is understood that the 0.05 c.f.s., herein granted is
only a temporary allowance and that the final water right obtained
under this permit will be dependent upon the amount of water actually
placed to a beneficial use. A suitable measuring device must be
installed and accurate measurements of the water placed to a bene-
ficial use must be included in the proof of such use when filed.
The State retains the right to regulate the use of the water herein
granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.05 cubic feet per second, but not to exceed 0.05 c.f.s.

Actual construction work shall begin on or before April 6, 1973

Proof of commencement of work shall be filed before May 6, 1973
